

World Airlines Clubs Association (WACA),
in conjunction with 55th AGA
is thrilled to announce the upcoming forum:

Sustainable Solutions for the Aviation Industry

focusing among others on
SAF (Sustainable Aviation Fuel) Solutions

DATE:

September 20, 2024

LOCATION:

Mauritius

Why Attend?

- **Exclusive Insights:** Engage with top-tier representatives from airline, aircraft and shipping companies to financial brokers, insurance firms, and banks offering green financing, and many more
- **Networking Opportunities:** Connect with industry leaders during a half-day interaction forum meeting and a memorable Sunset Catamaran Networking cruise.
- **Luxurious Stay:** Enjoy a two-night stay at the beautiful Ravenala Attitude Hotel, known for its serene environment and exceptional service.
- **Ideal Location:** Mauritius, renowned for its sustainability incentives, provides the perfect backdrop for discussing and implementing sustainable solutions in aviation.

Event Highlights:

- **Participation Fee:** USD 1,000 per person
(includes accommodation, forum access, and networking cruise)
- **Expected Attendance:** A minimum of 20 participants, with international observers from Canada, Norway, Jordan, the Bahamas, and Portugal.
- **Venue:** A lounge-style setup at Revenala hotel fostering engaging discussions and collaborative solutions.

Don't miss this opportunity to be part of a transformative forum aimed at driving sustainable solutions for the aviation industry.
